## TESTIMONIAL

*“The five water types have been a revelation for the whole household! I love the fact that I just have one tap to do everything - filtered boiling, chilled and sparkling water as well as hot and cold for washing up - as it means I can retain my uncluttered style.”*

/ 13

## PRODUCT

HydroTap  
All-in-One Arc  
Brushed Gold

PRODUCT

HydroTap  
All-in-One Arc  
Brushed Gold

04

Thanks to our state-of-the-smart filtration technology, the HydroTap delivers the purest tasting water. Twenty-five times more effective than a water filter jug, you can drink fresher, healthier, contaminant-free water, which improves hydration and wellbeing for the whole family.

04

When it comes to *filtration*, the *difference* is *clear*.

We are here to  
*create the future.*  
We don't just  
redesign, *we*  
*revolutionise.*

HydroTap  
*All-in-One Arc*  
Bright Chrome

/ 18

05

The ultimate  
*in convenience.*

/ 19

05

Pour three types of filtered drinking water with just one tap. It really is a life changing appliance. Instant filtered boiling, chilled and sparkling water without the need of a sink. Install this smart tap in any room to make drinking, cooking and entertaining effortless.

06

# Giving you *space to drink.*

06

In the home bar, bedroom, gym or cinema room – think of life without a sink. The HydroTap can be installed over a sink or font to create a drink station wherever works best.
